Respected Sir,

Sub: Request Transfer in the cadre of ADOL

This is to bring to your kind notice that this association has been pursuing the request transfers of ADOL for a pretty long time. We now understand that the cases of request transfers are being considered by the circle administration. **But we are surprised to understand that these transfers are being ordered to favor a particular candidate by violating the transfer policy** of the corporate office as well as the circle policy being followed in accordance with the certain affidavits filed before the Hon Tribunal/ High court Bangalore in the previous litigations.

To consider the request transfers the date of registration of the application is the criteria in the WL to be maintained in the respective transfer grant authorities. Accordingly Sh **A P Shibhu**, ADOL Tumkur is the officer who is due to be transferred to Bangalore. He has served 11 years outside Bangalore and 3.5 years at Tumkur in the present grade of AD(OL). He has registered his application for request transfer in December 2010 after completion of his tenure at Tumkur to join his spouse. During the time of promotion also he was posted outside Bangalore even though he was ranking much above the persons allotted to Bangalore and already suffered one injustice. Moreover he is not keeping good health; attached by Acute Transverse Myelitis (Weakness to both legs) and is under treatment.

But now bringing back an officer who had all along worked in Bangalore through out her/his service but went on promotion to Kolar for a pretty short time, is nothing but an injustice and harassment imposed on the candidate who is eligible. Just to help a particular person, justice cannot be denied to the eligible candidate by violating the rules/policy.

We therefore request your **kind intervention** in the matter to set things right to ensure justice in the matter. Thanking you,

Yours faithfully,

S B Nagavi
