To,
Shri P Raghavan,
Chief General Manager, Telecom Karnataka Circle
Halasur, BSNL Bangalore 560008

Respected Sir,

Sub: Discrimination in ongoing transfer implementation and relieving of SDEs.

This is to bring to your kind notice that some of the SSAs have not relieved the SDEs who have been under transfer orders dtd 27-3-2012.

In some SSAs, the GMs are not ready to relieve the SDEs on one or the other pretext. Especially none of the SDEs have been relieved from Raichur SSA and all the 6 SDEs are still waiting to be relieved.

No action is being taken to relieve even all the long stay SDEs by the Karwar administration. Such cases of non-relieving of one or two SDEs may also exist in other SSAs also.

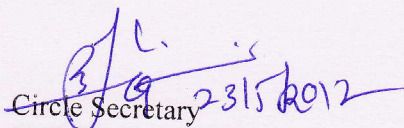

While all other SSAs have considered all the cases of relieving either on long stay or otherwise, for the non action of these SSAs the following issues have occurred before us.

- (1) The SDEs who have served in a very difficult place like Raichur have not been relieved so far while other SDEs of the nearby SSAs like Kolar, Tumkur have reported back in Bangalore and other places which has caused a great injustice and discrimination to the SDEs who have served in such difficult places.
- (2) Due to non-relieving of the SDEs from Karwar (Or other SSAs if any) who are on long stay, they will be put to the hardship of un-certainty like school admissions and other family issues; the delay being forced on them by the administration.

In view of the above; we request you to kindly take action to relieve these SDEs immediately and thereby end the discrimination/stalemate in the said issue.

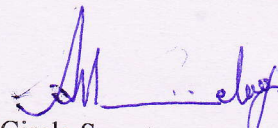

Theses SDEs are very much agitated, and hence we will be compelled to take organizational steps in the matter as the issues of these SDEs are genuine and most justified as detailed above.

We therefore once again request you enable the relieving of these SDEs immediately latest by this week end.
