To,
Shri Shubhendhu Gosh, PGM BGTD
Shri P Raghavan, CGMT Karnataka

Respected Sirs,

This is to bring to your kind notice that even after 7 days of the issue being cropped in we are not in a position to resolved the issue of CTOP UP sales in BGTD.

Now, scarcity of the facility is being experienced in many of the retailers at Bangalore and if the isse allowed to continue like this without taking the possible precautionary steps, due to the non availability of the said provision ion the market BSNL will get a bad name in addition to loosing the revenue as well as customers.

We once again request you in the interest of BSNL revenue to personnaly look into the matter and resolve at the earliest.
