To:

**Shri Prahalad Rai,**

General Secretary,

All India BSNL Executives' Association,  
New Delhi.

Dear Comrade Rai,

This is with reference to your letter No. AIBSNLEA/CHQ/CMD/2012 dated 17.07.2012 addressed to the Shri R K Upadhyya CMD, BSNL, New Delhi. In this letter you have dragged my name un-necessarily in connection with the recent elections held for AIBSNLEA, BGTD Branch and thereafter my joining SNEA(I) Association. I would like to therefore bring the following few lines to your information and clarity in the whole issue:

- I am working as **Manager (Transport)**, Bangalore Telecom District even though my original cadre is PA and discharging duties assigned to me to the best of my ability.
- I was member of AITSA from the DOT period and on amalgamation and formation of AIBSNLEA by many associations I came to AIBSNLEA like other PA/PS. I was Vice President of AIBSNLEA, Bangalore Telecom District Branch from **2008 to 2010**.
- It is a fact that I was District Secretary, AIBSNLEA, BGTD for a period of two years ie. From March,2010 to May,2012. I have discharged my duties as District Secretary by implementing successfully all the calls given by CHQ/Circle.
- Settled all the grievances of AIBSNLEA Members of BGTD brought to my notice with cordial relationship with the District Administration.
- It is also fact that Shri S.K. Hiremath has become District Secretary after getting 30 votes more than me. But these excess votes have come to him from the 40 Officiating JTOs ie. TTAs whom he had made members and brought them to the AGM. Even though my self and other members have objected for their voting in the AGM, Shri H Y Andeli, Circle Secretary and Shri R.B.Ahani, AGS have maintained that they are eligible for voting in spite of the fact that they are not regular Executives. But for these 40 officiating JTOs the result would have been otherwise.
- It may be pertinent to mention here that Shri S.K. Hiremath used the same tactics during Elections held for District Secretary post in 2008 in SNEA(I) where he was member earlier and which was not allowed in that Association and he lost the election. Thereafter he went on transfer to North East and came back and joined AIBSNLEA in Bangalore.

- The Circle Secretary who was supposed to be impartial, has canvassed against me telling members “not to vote for Huliraj”. I don't have any objection for him canvassing for any other candidate asking vote for them.
- Even though I wanted to bring these facts to your notice immediately after the Elections I kept quite as a matter of decency and with the hope of normalcy in due course.
- After the election I was invited to attend the CEC of Karnataka Circle AIBSNLEA held the next day. I did not attend the same as I was not interested in any post. I continued as an ordinary member of AIBSNLEA even though the atmosphere was suffocating for me as some of the District/Circle/CHQ officer bearers were against me.
- Recently after the issue of Transfer order of Shri H Y Andeli, AIBSNLEA, from PGM Office to Halasur Exchange in Bangalore, BGTD Branch has issued a notice to Administration and in that notice they have unnecessarily racked up certain points which are going to affect the Executives of BGTD adversely irrespective of their affiliation. After seeing this type of activities by the District Branch I have voluntarily joined SNEA (I).
- Your allegation that I have joined SNEA as per the instructions of PGM BGTD is baseless, malafide and derogatory in nature.
- Further giving this information to CMD and publishing it in the website without any conformity is nothing but defaming me publicly.

I am giving these clarifications to your information keeping my option still open to take up the matter to all appropriate forums, if immediate corrective action is not initiated from your end in the right spirit.

This is for your kind information please.

Thanking you once again,

Comradely yours,

  
(Huliraja M)
