Respected Sir,

Sub: Rule 8 inter circle and intra circle transfers in the cadre of JTOs.

We are extremely happy and very much impressed by your transparent way of handling the administrative issues particularly the executive's transfers. Now the JTO trainees are being posted to field units and it is the best time for considering the intra/inter circle transfers in the cadre of JTOs.

As we understand by the discussion had with you the rule 8 transfers are considered based on the date of registration of the request transfer applications. In this connection we would like to bring to your kind notice to the two letters issued by circle office regarding rule 8 transfers.

(1)HRD II/3-58/OG/04 dtd 8-11-2004 and (2) HRD-II/3-58/OG-One Way/Corr dtd 22-3-2006.

As per the guidelines of the first letter the SSAs were requested not to forward the rule 8 (erstwhile rule 38) transfer applications. The 2nd letter was permitted them to forward these applications on 22-3-2006. **But surprisingly about 18 requests have been registered in between 8-11-2004 and 22-3-2006.**

The recent publication of the request transfer register in the circle intranet was in the order of year of recruitment/circle. **In this we find that the registration of application is very high during March/April 2006(After 23-2-2006).**

In order to give natural justice to the candidates whose applications have been detained by the SSAs (duly obeying the order dtd 8-11-04) at least all the applications received just after your 2nd letter i.e. Up to 31-3-2006 be considered in the present instance. Alternatively all 2001 recruited JTOs be considered for rule 8 transfer as such they have served more in our circle and are eligible to go to their home circle.

We therefore request you to kindly consider the above facts into consideration which will really boost the morale of the young JTOs worked for more than 6-7 years.

We also request you to kindly consider all the intra circle request transfers.

Thanking you,

Yours faithfully,
