No. SNEA/KTK/Rule 8 transfer/08-09

Dtd

10-05-2009

To,

Shri Raghavan,

Chief General Manager Telecommunications,
BSNL, Karnataka Circle , Bangalore 560 008

Respected Sir,

Sub: Rule 8 request transfers of JTOs.

Ref: Our letter dtd 28-3-2009

This is in continuation to the discussion had with your kindself in the informal meeting on 10-2-2009 and letter dtd 28-3-2009. The issue has been brought to your kind notice on earlier occasions also. Around 80 JTOs are waiting for Rule-8 transfers. They belong to 2001 and 2002 year of recruitment and have completed more than 5 years of service in the Circle. Rule-8 transferees from other Circles to their requested Circle have already started reporting. Most of the Circles have completed the formalities such as ascertaining the place of posting and actual transfers are expected to take place shortly on reporting of new recruits.

In Karnataka Circle the process is yet to start. This puts the JTOs of Karnataka Circle who have applied for Rule-8 transfer to a very disadvantageous position in getting the division. / station of their choice as and when they are transferred and also their position in the circle gradation list.

It is extremely disappointing to state that even compassionate cases were not considered. The step motherly treatment being meted out to BSNL recruited JTOs is unfortunate to say the least.

Being the representative association of these youngsters. we have pleaded with your kindself time and again for a kind and sympathetic consideration of their case without success.

We are constrained to record our deep disappointment in the issue and our strong resolve to help these youngsters get justice which they are entitled to.

It is hoped that the issue would be dealt with the seriousness it deserves without any more delay.

Thanking You

Yours faithfully,

Circle Secretary
